

What's New in Cloud AMS 2.9.02

Rapattoni *Magic*-Cloud AMS 2.9.02 is coming soon! This exciting new version will give your association access to the enhancements listed below.

New Cloud AMS Updates!

- Email Integration Update** – As Microsoft® continues to transition users from the classic version of Outlook® to their new Outlook®, we’ve upgraded Cloud AMS to ensure a seamless experience. As part of this update, Cloud AMS now supports a broader range of email clients, giving you greater flexibility in how you manage communications. These improvements ensure that Cloud AMS continues to evolve alongside the tools you rely on, so you can stay connected with confidence.
- “M1 Data Update” Comparison Option** – This new option highlights discrepancies across key membership data fields and enables users to synchronize local records with M1 whenever mismatches are detected.
