

Dear RETS/API Key Contact:

This is to notify you that setup changes will be installed the evening of **Thursday, December 09, 2021**.

Please be advised that the following RESO Data Dictionary changes have been slated to be installed. The listed items may not be included in all feeds, please review your metadata to determine the impact to your feed.

In addition, minor changes to the Metadata-Lookup\_Type table, which are not listed here, may be implemented when requested throughout the month. Therefore, RETS/API vendors and third parties who access an MLS's RETS/API data should update their metadata.

The changes correspond to the following MLS customers:

RIMW: Rim O' The World Association of Realtors®

The following items will be additions or modifications to the metadata table:
